Present & Correct

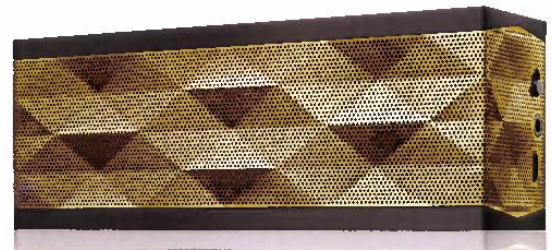

01 The **Devereaux** jewellery box from Ralph Lauren Home is made from black shagreen and has 23ct-gold-plated brass detailing and a wood lining. It is part of the new One Fifth collection. www.ralphlaurenhome.com 02 **Les Endiables** is a collection of jewel-coloured vessels designed by José Levy for Saint Louis Crystal, created by combining two different goblet designs to form the base and the bowl. Available from Harrods. www.harrods.com 03 **The Art of Design** is the first book from masters of luxury interiors Candy & Candy. It is filled with glossy photographs and behind-the-scenes insights into the practice's high-profile portfolio. www.candyandcandy.com 04 The **25-29** vase by Angie Anakis for Ligne Roset is moulded in matt-white ceramic. A red-lacquered, laser-cut steel grille seems to grow from within. www.ligne-roset.co.uk 05 Jawbone has released a limited-edition, black-and-gold **Jambox** for Christmas. This tiny wireless speaker is only 151x57x40mm in size and yet offers an impressive output capacity of 85 decibels. www.jawbone.com

Whether you are looking for those finishing touches to a project or that perfect Christmas gift, this selection of books and accessories has plenty of sparkle

06 Designers Guild is known for its vibrant colours but its monochrome fabrics are just as striking. The **Taru granite cushion** selection is part of its autumn/winter 2011 accessories collection. www.designersguild.com 07 Originally designed in the 1950s by George Nelson, the **Star clock** is the perfect midcentury statement. It is now made by Vitra and available from Skandium. www.skandium.com 08 **The World of Muriel Brandolini** looks over 17 years of opulent and eclectic interiors created by the iconic designer, giving an account of her career and its multicultural influences. Published by Rizzoli. www.rizzoliusa.com 09 **Dropp!** is a fun silicon bowl created by Scandinavian kitchenware design brand Menu and made to look like a splash of paint. Available in six colours from Yoox. www.yoox.com 10 Katharine Pooley's range of sophisticated accessories includes this **striped champagne bucket**, made from glass with silver-plated stripes. www.katharinepooley.com 11 **The Mark games table** from Nina Campbell has a reversible top comprising a baize-lined surface and an ebony-and-maple chessboard. Inside is a leather backgammon board. www.ninacampbell.com 12 Jonas Wagell used playfully oversized proportions when he designed the **Bulky teapot** for Muuto. Available from the Lollipop Shoppe. www.thelollipopshoppe.co.uk
