Celebrated interior design firm Candy & Candy marks a decade of design with the launch of a new book, **The Art of Design**.

For Candy & Candy the 200 page book allows them the perfect medium to showcase the firm's most important design work including intricate photos of the highly acclaimed One Hyde Park development. For us it means a chance to get a peak into some of the world's most luxurious interiors with page after page filled with stunning images of the company's design projects from sumptuous homes around the world to incredible private jets and yachts interiors.

Bonus for the would-be designer: the book unveils secrets involved in the meticulous behind-the-scenes design process that went into each of the creations.

The Art of Design' is available from <http://www.candyandcandy.com> priced at £75 + p&p.

Living Room where you'd want to invite all your friends to tea.
